

CITS Police Training

Detection techniques to reduce Rural Crime and Construction Site theft

28th February 2023 - 9.00am - 3.30pm

Leica Geosystems, Sandford Industrial Park, Sandford, Whitchurch SY13 2AN (what3words locator: fells.allow.obtain)

This event is for Police to Police training and briefing on detection techniques to assist forces based in the West Mercia Police area, covering Shropshire, Herefordshire, Worcestershire, Telford & Wrekin plus North Wales and Mid Wales Police Forces. It is a free to attend event for Police officers, PCSO's and Police staff only.

The event will be hosted by the National Vehicle Crime Intelligence Service (NaVCIS) and supported by industry and held at Leica Geosystems head office in Whitchurch, Shropshire.

Attendees will be given presentations by NaVCIS and include briefings by DC Chris Piggott, UK's international police liaison officer, CESAR's police liaison team and will include expert advice on detecting criminal networks operating within your area.

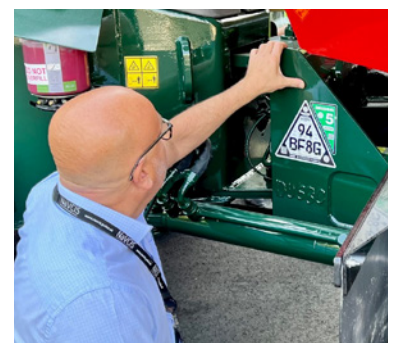

The training day will also include the opportunity to examine machines demonstrating CESAR, Micro-CESAR, and OEM markings, which will allow officers to learn of high-risk items which are susceptible to theft and moreover give officers the confidence to identify stolen property easily.

Breakfast rolls will be provided on arrival and a buffet lunch is also included (please indicate any special dietary requirements when booking your space).
